Research and Analysis

WORK EXPERIENCE

August 2023 - 1 Month
Hayat Kimya | Basiskele/ Kocaeli

IT INTERN

I transitioned to working in the IT department at Hayat Kimya. This experience allowed me to continue building on my software development skills and gain practical knowledge in the technology sector. My time at Hayat Kimya provided me with valuable hands-on experience and insights into real-world IT projects, contributing to my overall growth in the field of technology.

July 2023 - 1 Month
Ozka Lastik | Izmit/ Kocaeli

SOFTWARE DEVELOPER INTERN

I worked as an intern at Özka Lastik, focusing on software development. During this experience, I gained valuable insights into the field and enhanced my programming skills. My time at Özka Lastik provided me with practical knowledge and hands-on experience in software development, contributing to my growth in the technology sector.

SKILLS

Programming Languages: C#, JavaScript

.NET Technologies: ASP.NET Core, Entity Framework

Web Development: HTML, CSS, Angular, React

Database Management: SQL, MySQL

Version Control Systems: Git, GitHub
